To Whom it May Concern

Re: Endorsement/Recommendation

I am pleased to offer this endorsement and recommendation of Susan Gauthier, the Detroit representative of Mark Kamin & Associates, Inc, who, together with her predecessor, has been a business coach for me and several of my associates and business partners over the past several years.

During this period we have seen our businesses increase dramatically and have experienced substantial experiences of personal growth and the occurrence of many positive life-altering events.

I recommend her services enthusiastically and without reservation.
